

We're a StandUp Parish and Diocese!

Count us in to stand up and speak, shout and even sing out against poverty - as a contribution to this year's 50 Days of Global Action by the UN Millennium Campaign and the Global Call to Action Against Poverty.

We'll be standing up alongside many other parishes and schools in Just1 StandUp Dioceses in this country - and over 100 million people in 120+ countries across the world.

We're proud to stand up and be counted.

the world's poor can count on us
to stand up for them on
16-18th October 2009
